(c) the requirement of skilled engine drivers for the Indian Railways in the next five years how will it met by Government?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI R. VELU): (a) and (b) No, Sir. However, re-engagement (and not extension) of retired hands subject to prescribed conditions has been allowed on daily remuneration basis to tide over any exigency that may arise due to day to day shortage.

(c) Requirement of Drivers is worked out in six monthly reviews and met by normal procedure for recruitment from open market and promotion of staff from the feeder grades.

Gauge conversion between Rangia to Murkhoselek

1402. SHRI URKHAO GWRA BRAHMA: Will the Minister of RAILWAYS be pleased to state:

(a) the reasons why the gauge conversion work between Rangia to Murkhoselek is not taking place; and

(b) by when the work is going to be taken up by Government?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI R. VELU): (a) and (b) The gauge conversion of Rangia-Murkongselek including linked fingers has been taken up. The detailed estimate for Rangia-Rangapara North has been prepared. Hydrological study of the area undergo regular washways/subsidences/slips etc. have been taken up by Indian Institute of Technology/Roorkee.
